3. REGISTRATION DETAILS

Almost there! Please confirm the following as a last step:

I have a 3-D architectural render / picture of the board I wish to upload (This must be attached to your submission in either PNG, JPEG, JPG, TIFF or PDF format. (**Please ensure that this box is selected*)

I have read the terms and conditions (**Please ensure that this box is selected*)

Please provide the email address below for sending the link and QR code to your project board, as well as for any future correspondence in regard to the listing (**Please ensure that this box is completed*)

CONGRATULATIONS!

That's it. Please send the completed form with your project render to hello@projectboards-mail.org

We will confirm by reply email receipt of your details. Our library of consultant and contractor logos is pretty comprehensive, but in the event that someone from your project team is not on our system, we may request a company logo / insignia for the board. Once your project is listed, we will provide you the board URL (dedicated page) and QR Code (dedicated link) for your board by return email – this is a free service. Please allow us 24 hours to process the board submission.

Lastly, as a courtesy, please let us know how you got to know of Project Boards © to help improve our future footprint:
